

SPIRITUAL GUIDANCE

Bringing The Year To A Harvest Of Blessing

WHY ARE WE HERE?

We are here because we have been told greater is he that is in us than he that is in the world. So why so many people feel defeated and less than what they have been made.

1 John 4:4

We are here because we have been told that we will do even greater things than these. {The works of Jesus}. So how is it that so many people are sick and broke and we don't have answers for them.

John 14:12

We are here because we have been told that Elijah was a man like us. He was able to change the weather by the power of prayer. So how is it that we feel powerless before so-called natural disasters.

James 5:17

We are here because we have been told that we are no longer slaves to sin. So how is it that we are constantly being defeated by the sinful nature.

Galatians 6:7

We are here because we have been told that we have been given power over sickness, demons and evil forces. How is that the children of God are constantly being molested by dark forces?

Luke 10:19

We are here because we have been told that: “ye are gods” and “you are all children of the Most High”.
How is it that we are still claiming ourselves as sinners, weak and feeble?

Psalms 82:6

We are here because we have been told that to live by faith and not by sight. How is it that we shrink our faith every time we are told by our peers to 'be realistic'?

2 Corinthians 5:7

We read in the scriptures that St. Paul was able to visit 3rd heaven while he was still in his body. **How is it that having out of body experiences is viewed as a 'devilish' practice?**

2 Corinthians 12:2

Jesus told us that Elijah has returned as John the Baptist. And the disciples of Jesus said to him he could be one of the prophets that has returned. Why are we avoiding the subject of reincarnation?

Matthew 17:10-13

We have been told that Christ lives in us and that our old self is dead. How is it that we are constantly going back to low self-image, low self-confidence and low self-esteem?

Colossians 3:9-10

WHAT IS SPIRITUALITY?

2

WHAT IS PERFECT VISION?

The background of the slide is a cosmic-themed image. On the left side, there is a vibrant red nebula with intricate, swirling patterns. The right side of the image transitions into a deep blue and purple space filled with numerous small, bright white stars of varying sizes, creating a starry field effect. The overall composition is visually striking and evokes a sense of vastness and wonder.

3

WHAT IS PURPOSE?

The background of the slide features a smooth gradient from a vibrant red on the left to a deep blue on the right. Scattered across this gradient are numerous small, white, circular speckles of varying sizes, giving the impression of a starry night sky or a microscopic view of a textured surface.
