THE MAP OF PROPHECY

WHAT TO EXPECT

This lesson will help you put every spiritual knowledge you have received into a clear applicable structure. Which will make you feel settled, organized, and at peace.

The lesson will also help you feel empowered, in control of most of the things you go through. It will also make you feel responsible, and clear about the direction of your life.

You will feel grounded and not overwhelmed. You will be in a state of flow. You will know exactly which tool to use, when to use it, and how to use it.
